

Parent's Notes

Here are our pre-made notes for those requirements that a Scout may have done before coming to camp in his normal life, or has done in preparation for working on the badge. These are the notes for activities that a parent would be much more aware of their Scout taking part in than their Scoutmaster would, so we are requiring a parent signature.

Personal Management Scout: _____ Signature: _____

My Scout has done the following: Choose an item that your family might want to purchase that is considered a major expense. Write a plan that tells how your family would save money to purchase that item. Discuss the plan and how other family needs must be considered with your family. Develop a written shopping strategy for the item. Determine the quality of the item or service (using consumer publications or rating systems). Comparison shop for the item. Find out where you can buy the item for the best price. (Provide prices from at least two different price sources.) Call around; study ads. Look for a sale or discount coupon. Consider alternatives. Can you buy the item used? Should you wait for a sale? Bring all written portions with you to camp.
